***GREETINGS TO ALL~!***

*As you know the Spring Walks were a huge success. God was present in a powerful way. He allowed us to venture into new area and stretched our trust in HIM. God was in full control as we held the Women's Walk in a new location. He was ever present to make the experience a glorious one. Colonial Heights Baptist Church opened its arms to embrace this ministry! I believe they were truly blessed by our presence and the Holy Spirit~! The men were equally blessed although not by a new location, but with powerful witness and music. I believe their presence blessed Glenn Alpine as well.*

*Now it is time for the Boy's and Girl's Chrysalis Flights! What a joy it is to see these young people singing, praying, and praising God! Many that are new to the Emmaus Community may not know or remember - But - it was a Chrysalis Flight in Johnson City that helped bring about SONrise Emmaus in 1989. They came back so "fired up" and they wanted their parents to experience this weekend and well....the rest is history! "And a child shall lead them" - Isn't that true so many times? Children and youth can make this happen. The SONrise Emmaus Community is the result of young enthusiasm, leadership, and a willingness to "step out"!*

*So if you know anyone who would like to participate - NOW is the time~! It's not too late! The contact information for sponsorship is here in the newsletter and on the web.*

*WOW~! Isn't it exciting to see where we will go next if we nurture their growth?*
