## Sponsorship – The Cornerstone of Emmaus Growth

Why do we sponsor?

The aim of the sponsor is to bring spiritual revitalization to Christians who will, in turn, bring new life and vision to the work of the church in the congregation, home, workplace and community. The aim is to build up the body of Christ. Emmaus is for active Christians and members of churches whose own renewal will mean new energy, commitment and vision in the church and everyday environments, for Christ's sake. You as a member of the Emmaus community can help build up the body of Christ, energize the work of the church and take another step toward changing our world by sponsoring someone who needs this renewal. Sponsorship is a significant commitment, but the rewards are even greater.

Specific guidelines for sponsorship can be found as part of the application. Current applications can be found at [www.sonrise-emmaus.org/holyspirit](http://www.sonrise-emmaus.org/holyspirit). Please prayerfully consider accepting the responsibility to sponsor a pilgrim/caterpillar on a Walk to Emmaus.
