Remove the Gloom

As I sit here on what I perceive to be a gloomy rainy spring day, I look outside and can almost see the leaves and grass turning a brighter color of green and I am reminded that God is watering His garden that He has placed in our care. Without this watering, each day of spring would be gloomy because the beauty of God's natural colors would be lost.

Just as the rain brings forth the brilliance of spring, so does God's grace rain down on us and bring forth His love through the brilliance of the Christian smile so that all may experience the love of God through us.

As you look at God's world, whether it be rain or shine, remember that God's grace is poured out for you to accept and share with all whom you come in contact. We can make another person's day with a kind word or just a simple smile. Remember that even through the gloomiest of days there is brilliance we can share through our love of God. So let God's light and love shine through you and remove the gloom from someone's world.

May God be with you in all you do,
Rick Shaver

"You are the light of the world", "Let your light shine before men, that they may see your good deeds and praise your Father in Heaven". Matthew 5; 14 and 16
